How Small is a “Small” ATP Firm?

Small companies (fewer than 500 employees) participate in over three-fourths of projects funded between 1993 and 2004.

- Three in ten small firms had fewer than 10 employees
- Nearly half of all small firms had fewer than 20 employees
- More than four in five small firms had fewer than 100 employees

ATP Awards to 620 Small-Firm Participants by Size-Class: 1993-2004
